Recommendations

• Revenue is trending up (488.82% overall). Consider increasing stock for top-performing products to sustain momentum.

• 'OFF-AP-10002203' and similar low-performing products may be worth discounting, bundling, or discontinuing.

• 'SM-20320' is your highest-value customer. Consider a loyalty offer or personal outreach to retain this relationship.

• 25 sudden revenue spike(s) or drop(s) were detected. Investigate these periods for one-off events (promotions, outages, seasonal effects).
